Streator Community Credit Union's Sharetec Online Banking is an electronic service provided to increase the convenience for our members. This Agreement supplements other terms and conditions in other Credit Union agreements and disclosures, which you may have previously agreed to. To the extent there is any conflict between the terms and conditions of other agreements and this one, this agreement will govern our relations with you for the Sharetec Online Banking.

1. Protecting Your Online Banking Transactions. Security is of utmost importance for Streator Community Credit Union. Streator Community Credit Union strives to provide the most secure environment possible for worry-free online account access. We continually evaluate new technologies to take advantage of evolving security enhancements. Unique User IDs and Passwords are designed to protect your identity. The privacy of communications between your computer and Sharetec Online Banking is ensured by the use of encryption. Encryption scrambles information so that it cannot be used by unauthorized parties. A Streator Community Credit Union uses a 256-bit Secure Sockets Layer (SSL) encryption. When visiting Streator Community Credit Union's Sharetec Online Banking web site, notice the Internet browser displays a closed padlock and the address bar displays *https://*. This ensures that information is being encrypted. We also provide virus protection, network scanners, password management, and firewalls.

2. E-mail Usage. A Streator Community Credit Union's staff may use personal information contained in e-mail messages to answer questions, follow up on suggestions or complaints, or improve the quality of our service. But, because most Internet-based e-mail is not secure, please

DO NOT include sensitive information such as Account Numbers, Passwords or Social Security Numbers in e-mails; rather contact the Credit Union by phone, fax, or in person. A Streator Community Credit Union will NEVER ask you to send sensitive information by e-mail.

6. Access. Internet service will be available for your convenience 24 hours per day. This service will be interrupted for a short time each day and at the beginning of each month for data processing. It may be interrupted to allow for system upgrades and enhancements. You will be notified on the website when this occurs.

We reserve the right to refuse any transaction which would draw upon insufficient funds, thereby lowering an account below a required balance. The service will discontinue if no transaction is entered after unsuccessful attempts to enter a transaction, and there may be limits on the duration of each Internet connection. You will have 3 attempts to accurately log in to your online account. If you become locked out, please contact the Credit Union at 815-672-8488.

Sharetec Online Banking allows you to review recent transactions on loans, checking, and savings accounts; to transfer funds among your accounts; to transfer funds to another account on which you are a joint owner within Streator Community Credit Union; to see a summary of your accounts; to make check withdrawals from your accounts; to make transfer payments to loan accounts; and to receive and send electronic messages to the Credit Union. You understand that we may not immediately receive e-mail communications that you send and will not take action based upon e-mail requests until we receive your message during regular business hours, and have reasonable opportunity to act. If you need to contact the Credit Union immediately, you may call 815-672-8488 and ask for the department you need.

7. User ID and Password. Because your User ID and Password can be used to access your Accounts and to access information about these Accounts, you should treat your User ID and Password with the same degree of care and secrecy that you use to protect your A TM security code and other sensitive financial data. We may ask you to change your User ID and Password

from time to time for security reasons. You agree not to use any language that is abusive, harassing, libelous, defamatory, obscene, or threatening when defining your Password or any other personalization of your Accounts. You agree not to give or make available your User ID, Password, or account numbers to any person who is not authorized to access your Sharetec Online Banking. If someone to whom you have granted authority to use your User ID and Password exceeds such authority, you are fully liable for all payments made by such person until you have notified us that you have terminated the authority granted to such person and have given us a reasonable period of time to act upon such notice. We may require that you put such notice in writing. Upon receipt of such notice we may require you to immediately change your User ID and Password, and to identify the person or persons you believe to have exceeded such authority. You agree to cooperate with us in the investigation and prosecution of any person who has obtained and used your User ID and Password without your authorization and/or in excess of your authority.

We are not responsible for any loss, damage or injury resulting from an interruption in your electrical power or telephone; the disconnecting of your telephone line by your local telephone company or from deficiencies in your line quality, the failure or unavailability of Internet access; problems with Internet service providers, any defect or malfunction of your PC, modem, or telephone line.

**10. Entire Agreement.** This Agreement constitutes the complete and exclusive agreement between you and Streator Community Credit Union related to the Sharetec Online Banking Service. Any other agreement or disclosure with respect to your accounts for the services made by or with Streator Community Credit Union is separate and distinct from this Agreement.

**11. Amendments.** We may amend or change any of the terms and conditions of this Agreement at any time upon reasonable notice to you. If you do not agree to the change or amendment, you may notify us prior to the effective date of the change or amendment and cancel your access to the Service. Your continued use of the Service after the effective date of change will be deemed acceptance of the change or amendment.

**12. Severability.** If any provision of this Agreement is determined to be void or invalid, the remainder of this Agreement shall remain in full force and effect.
